

9 Columbus Cct, Coffs Harbour, NSW 2450

\$39,000 Inc. GST

Hospitality and Food

Mobile pie van Coffs Coast

This is an opportunity to buy your very own business in Coffs Harbour district. You can locate on a site it with Council's permission. The van (or unit) comes with all the equipment & training necessary to run. This includes the filling recipe + the basics on how to make one of the best pies you'll ever taste! This man knows how to do it as he is the original owner/founder of Ridgely Didge Pies!

15 minutes set up + it only takes 10 minutes in the twin fan forced oven to have piping hot pies for your customers which they'll rave about to their friends! The secret is not to reduce your standards - customers notice!

Regularly sited at entrance of the Markets in the Big W Car-Park in Central Coffs. Also has been at the car yard at the Showground on Saturdays...

Just working these couple of days each week could bring you in an income around \$30000 per year? Should you choose to expand your days, your income of course, would increase as well?

\$45000 was the asking price, but the seller has now reduced to \$39000 - so you're ready to roll!

Open for Inspection

By Appointment.
