

278 Bruxner Park Rd, Korora, NSW 2450

\$699,000

Residential Land

Sea view home-site

Bruxner Park is well known as the location for good opportunities to build your dream home looking out to sea! Here's a block which may suit your needs? It's 1.754 ha, has water running through it (even back in November when the drought was at it's height!) Power is just above this block + a substantial new concrete driveway for access was recently completed! Aerials now added to enhance your idea of the site!

Open for Inspection

By Appointment.
